We are going to explore the island and its sights under a guided tour and refresh ourselves with a grill on the boat. After we are sailing to heavenly beaches of the islet Srakane. The clearness of the sea and beautiful submarine world invite you for a swim and free diving exploration.

NAUTICAL PARADISE OF LOŠINJ: ISLAND ILOVIK AND ISLAND SILBA

Discover Ilovik - the island of flowers, hidden in the small bay, protected from the winds, sailors' favourite place. Visit the island under a guided tour and experience the magic of charmingly decorated flower gardens after which the island got its name. What follows is a sail to the island of Silba - island with magnificent beaches and the place having the same name as the island. The guided tour includes the unique view from the tower of love. Use your free time for a walk, optionally lunch, swimming and return to the island of Lošinj.

ISLAND OF RAB

Together with Lošinj, island of Rab is one of the greenest islands of Kvarner region. After a two-hour long boat ride we are dropping the anchor in the town of Rab, a unique mediterranean town famous for its four bell towers. Guided tour will take you through the ancient story heart of the town. Apart from numerous historical sights the town with its picturesque centre offers a generous range of restaurants, cafes and small shops to choose from. You can enjoy walking in the town itself, or experience a memorable walk along the attractive town park, as such remarkable among all the Adriatic islands.

PEARLS OF LOŠINJ ARCHIPELAGO: THE ISLANDS OF SUSAK AND UNIJE

Sail away to two unique islands of Lošinj archipelago: magnificent sand-island of Susak and island of Unije - an example of an amazing island-architecture!

After a pleasant ride along the coves and islets of archipelago, we are going to visit Susak and its sights. Susak is a sand-wonder island, for centuries being gradually refining and developing its life as well as remarkable culture and tradition!

We continue our sail along the islets of Srakane Vele and Male to the island of Unije, one of the rare small islands having its own airport, a school with five pupils as well as an oil refinery with an exceptional olive oil and a valuable architecture. After sightseeing tour you can enjoy your free time swimming on a sandy beach.

MAGICAL TRIPTYCH OF CRES: OSOR, LUBENICE, VALUN

The history of the islands of Cres and Lošinj is most impressively illustrated in the place connecting both of the islands with a bridge: in town of Osor - museum-town.

For the last 4000 years the stones of the town have been telling stories about its history. It used to be the place where bishops and rulers kept their court and therefore Osor is with all reasons called the museum town. A guided tour will take you for a walk down the town centre where you can explore its immensely rich historical heritage. We continue our journey towards Lubenice - a stunning place located on imposingly steep cliff with a breathtaking view overlooking the open sea.

Despite being almost completely abandoned, town of Lubenice is famous for its impressive architecture as well as for cherishing the memory of life and history of the small places on the island. After visiting Lubenice we are heading to the next interesting place on the island of Cres: picturesque fishermen village Valun, famous for its Glagolitic heritage: discovery of the one of the oldest Glagolitic monuments in Croatia, so called "Valunska ploča".

We also recommend you delicacies of this very special place such as home-made prosciutto-ham, sheep-milk cheese, vine and dry figs.

SIGHTSEEING TOUR OF MALI AND VELI LOŠINJ VISIT TO SCENTED ISLAND'S GARDEN

Apart from its uniqueness, the island of Lošinj is special for having one big town - called Mali ("little") Lošinj... and one small town called Veli ("big") Lošinj... And an abundance of interesting and valuable places on such a small area with such an exceptional history and tradition. Find out the most beautiful tales about our island!

A guided tour will take you for a stroll down the stony streets, a visit to "Kula" gallery, and a praiseworthy center "Plavi svijet" famous for its education and care for dolphins living in our local waters. Finally we are going to enjoy the fragrance and perfumes of Scented gardens ("Miomirisni vrt") and confirm the eternal tale about Lošinj - a place renowned for cherishing the healthy life and unharmed nature.
